

JUST AN
ATOM

The image features the text "JUST AN ATOM" in a bold, white, sans-serif font. The letters are outlined with a vibrant, multi-colored glow that transitions through shades of blue, green, and orange. A large, thick, blue ring with a glowing orange inner edge orbits around the word "ATOM". Several small, stylized atomic symbols, consisting of a central nucleus with two orbiting electrons, are positioned around the text: one near the "J", one near the "A", one near the "T", and one near the "M". The entire composition is set against a solid black background.
